DATE OF APPROVAL	JANUARY 2022
DATE FOR REVIEW	JANUARY 2024

MK Dons Football Club will remember all Club Supporters lost in a calendar year, at the first Saturday League home match in the New Year.

In December of the prior year, the Club will invite family members or other supporters to nominate those to be included in the commemoration.

Names of those that have passed away will be displayed on the big screens, on social media, and in the matchday supplement. A minute's applause, subject to EFL and the referees approval, will proceed the game.
